## Activity Descriptions

---

**Water Play:** Every Monday, please send your children in with their bathing suits & beach bags. It should include extra clothes, towel and water-proof easy on/off sandals. It will be sent home each Friday, or your last day of the week, to be cleaned. WATER PLAY WILL BE SET UP on random days (weather permitting)!!

**Dance** Miss. Paige and Miss. Taylor will teach children basic dance technique focusing on coordination, flexibility, use of space concepts, interpretive movement and musicality development.

**Music** Mr. Frankie will be working with the children to expose them to different genres of music and basic chords on the guitar.

**Sports** Coach Ian Morales from Power Surge Sports helps children learn the fundamentals of soccer and t-ball. Aside from physical activity, this special helps develop self-esteem, teamwork, communication, and respect.

**Karate** Children will go to the Goshinkan Ju-Jitsu Dojo / Family Self Defense Center across from TLC to enjoy a martial arts class featuring fun karate games, martial art instruction, and much more.

### In-House Specials

- **Dinosaurs Rock-A** highly interactive presentation that's hands on and includes a fossil dig with specimens to keep and take home.
- **Mad science-** A workshop offering hands-on learning experiences with an age-appropriate exploration of a single science topic, like air, animals, weather, and worms. Kids enjoy engaging demos, perform simple experiments, and discover how science helps us understand our world.
- **Build-A-Bear-** Children will make their own stuffed animal right here at TLC! The Build-A-Bear team will come to us to create a special experience and "friend" for your child.
- **Cookie Making-** *Celebrations in the Kitchen* will provide us with a fun, interactive baking experience. The children will help bake and decorate their own custom cookies!
- **Carnival-** Our yearly, end of summer party includes games, music, fun carnival snacks, and a petting zoo.
